ABOUT SUPERSTARS

I created Superstars Holiday Club in 2006. Watching my two sons grow up through school, I was disappointed with the opportunities they had to participate in sport. This inspired me to launch a sports club that allowed children to socialise with others and enjoy games that they had not experienced before. In 2024, Superstars now delivers to over 20 different holiday club sites.

In years past, many children had the choice of joining a football club, or no club at all. Today, our amazing camps offer a wide range of activities including dance, football and multi-sports, at the most competitive prices across the region. Superstars also hosts specialist sessions for LEGO, crafts, woodworking and more, that are not accessible anywhere else.

Every child aged 5-13 is welcome at our holiday camps, which we believe have the best staffing levels in the North West. All of our team members hold an enhanced DBS clearance certificate, along with up-to-date safeguarding training. Every child is cared for by qualified coaches, teachers and teaching assistants. At least one staff member from each camp will be first aid trained.

We hope to see your child soon! *Louise*

SUPERSTARS CRAFTS

New for our 2024 summer camps, we are launching our 'Superstars Crafts' workshops. We understand not every child has a passion for sport, and sometimes we want to slow things down and unleash our creative side instead. We have designed each of our workshops to improve a variety of traditional skills, promote mindfulness, and hopefully inspire a new hobby!

We strive to offer something for every child, and our workshops vary from full week camps, to shorter two-day events. Either of these choices can be converted into a full, regular camp week by combining with our multi-sports or dance clubs.

SUPERSTARS

Superstars Inflatables started in the summer of 2023. After providing our giant inflatable obstacle course to the children at summer camp we noticed how much the children loved the experience.

This encouraged us to start delivering the best quality bouncy castles to everyone around the North West. We want the children to have this opportunity everywhere.

At Superstars Inflatables we offer the best quality bouncers for the best prices, ready and available for any occasion. To deliver and set up bouncers anywhere around the North West for you is what we do.

Our 150ft inflatable Obstacle Course will once again be returning to our Summer Camps so be sure to check what day it will be on a camp near you by checking the camp page in this brochure
